

~ THE BREAKFAST MARTINI ~

- 50ml Gin aux Agrumes - La Distillerie de Monaco
 - 1 teaspoon of L'Orangerie marmalade
 - 10ml L'Orangerie orange liqueur
 - 15ml lemon juice
 - 10ml water or soda

Method

Freeze a cocktail glass.

Put all the ingredients in the shaker with half a tray of ice cubes.
Give it a really big shake. Now fine-strain, through a tea strainer, into that frozen glass.
You might like to garnish with a little strip of rind from the marmalade?
Or else keep it simple....orange or lemon zest.
