Les Petits Chanteurs de Monaco

Summer, 2023 -- A perennial favorite on the European choral concert circuit, the **Monaco Boys Choir** (*Les Petits Chanteurs de Monaco*) will return to the USA for a series of free concerts in New York City, **Washington D.C. on July 12 & 13**, Savannah, Port St. Lucie, Miami and Fort Lauderdale (see attached program for details). This year the Choir is celebrating the 50th anniversary of its founding by H.S.H. Prince Rainier of Monaco, and, as 2024 marks the 100th anniversary of his birth, the Principality are paying tribute to him throughout this centennial year (www.CentenaireRainier3./mc).

While they are in **Washington, D.C.**, the Choir is scheduled to perform for the public on Wednesday, July 12 at the Millennium Stage (South) at the Kennedy Center between 6:00pm-7:00pm. The concert is free but with an advanced reservation: www.MonacoEventsUSA.com.

In a very special encore presentation, the Choir will sing for the patients, their families and the staff at D.C.'s Children's National Hospital in the Main Atrium between 11:00am-11:30am on Thursday, July 13. They first sang for the patients in July 2014. Executive Vice President for Patient Care Services and Chief Operating Officer Kathy Gorman will again welcome the Choir, and for those patients who cannot leave their rooms, the Seacrest Studios will broadcast the performance at bedside!

The Monaco Boys Choir, under the patronage of H.S.H. Prince Albert II of Monaco, and with the generous support of the Monégasque government, is able to donate its talents to concerts organized on behalf of humanitarian associations throughout the world. This award-winning troupe was founded in 1974 by Prince Rainier III to showcase the Principality's historic association with culture and the performing arts. It is a part of the Monaco Cathedral Choir and is composed of talented children from ages eight to 18, who, after substantial training, traditionally embark on a spring tour of Europe and a summer tour across the globe. The Choir are especially popular for their repertoire of works for children, and have visited more than 35 nations and perform an average of 30 to 40 concerts a year.

On previous visits to the USA, they have appeared at prestigious venues including Yankee Stadium for a rendition of "God Bless America" at a game opening, at the Kennedy Center, and the Kravis Center in Palm Beach. They have appeared live on NBC's The Today Show, and on many national networks. The musical repertoire directed by Pierre Debat, includes musical works by Charpentier, Mozart, Bach, Mendelssohn, Fauré and Franck; French and Monégasque folk songs; English-language songs such as "My Love is a Red, Red Rose" and "Joshua" and patriotic American songs "God Bless America", & "The Star Spangled Banner". www.MonacoEventsUSA.com & www.lespetitschanteurs.mc/en
